REDINGTON & CO.'S COLUMN.

REDINGTON & CO.'S
ESSENCE OF JAMAICA GINGER.

THIS valuable preparation, containing in a highly concentrated form all the properties of the Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by wine or brandy, it is entirely free from the reactionary effects that follow the use of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving the most immediate relief to the spasms that so frequently accompany that period.

It gives immediate relief to Nausea, caused by the riding in a railroad car, or by sea-sickness, or other causes. It is also valuable as an external application for Gout, Rheumatism, Neuralgia, etc.

REDINGTON & CO.,

SOME OF YOU CAN'T, and we pity you. You have tried every remedy but the ONE destined, by its intrinsic merit to supercede all similar preparations. NEWELL'S PULMONARY SYRUP

is really the VERY BEST remedy ever compounded for the cure of Coughs, Colds, Sore Throat, Asthma, Whooping Cough, Bronchitis and Consumption. Thousands of people in California and Oregon have been already benefitted by the surprising curative powers of

MEDICAL.

FRENCH MEDICAL OFFICE.

DR. JULIEN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has pleasure to inform patients, and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first floor, up stairs entrance either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptons: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Uretha on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded and there is a disinclination to attend to business, or even to reading, writign or the society of friends, etc, The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptons are pimples in the face and aching in different parts of the body. Patients suffering from this disease, should apply immediately to Dr. PERRAULT, either in person or by letter as he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage Gonorrhea, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated success fully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfil our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor, with the assurance of relief.

Female Monthly Pills.

DR. PERRAULT is the only agent in California for DR. BIOT'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERRAULT, corner of Sacramento and Montgomery streets, Rooms, 10 and 11, or Box 973, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

NEW YORK, 1865.

To the FLORENCE SEWING MACHINE CO. for the Best Family Sewing Machine,
HIGHEST Premium! Gold MEDAL!

REASONS:

1st.—Its simplicity and great range of work.
2d.—Reversible Feed Motion.
3d.—Perfect finish and substantial manner in which the Machine is made.
4th.—The rapidity of its working and the quality of the work done.
5th.—The self-adjusting Tension.

The Florence was awarded the first and highest premium at the State Fair of California, the only Fair on the Pacific coast at which any two double thread Sewing Machines were exhibited in competition in 1865.

The Florence received the only premium awarded, by the Mechanic's Institute of San Francisco, in 1864 and 1865, to any Sewing Machine, Sewing Machine Co., or Agent. The claim of a competitor to a medal is without any foundation whatever.

Wherever the Florence has been brought in competition with other Sewing Machines, it has always been declared the best. It is the most simple, the most substantial, the most efficent, and its use is easily learned. Every Machine sold is guaranteed in the full sense of the word.

SEMI-WEEKLY ENQUIRER.

WEIGHING THE BABY.

"How many pounds does the baby weigh—
Baby who came but a month ago?
How many pounds from the crowning curl
To the rosy point of the restless toe?"

Grandfather ties the 'kerchief's knot,
Tenderly guides the swinging weight,
And carefully over his glasses peers
To read the record, "Only eight."

Softly the echo goes around,
The father laughs at the tiny girl:
The fair young mother sings the words,
While the grandmother smoothes the golden curl—

And, stooping above the precious thing,
Nestles a kiss within a prayer,
Murmuring softly, "Little one,
[illegible] not weigh you fair."

Nobody weighed the baby's smile,
Or the love that came with the helpless one;
Nobody weighed the threads of care
From which a woman's life was spun.

No index tells the mighty worth
Of a little baby's quiet breath—
A soft, unceasing metronome,
Patient and faithful unto death.

Nobody weighed the baby's soul,
For here on earth no weights there be
That could avail; God only knows
Its value in eternity.

Only eight pounds to hold a soul
That seeks no angel's silver wing,
But shrines it in this human guise,
Within so fair and small a thing.

Oh, mother, laugh your merry note;
Be gay and glad, but don't forget
From baby's eyes looks out a soul
That claims a home in Eden yet."

AN IMMENSE CORPORATION.—The New York *Tribune*, of 6th says:

The old Wells Fargo Company is now dissolved, its assets returned to the stockholders, and a new organization formed bearing the same name, with a capital of $10,000,000. In the new Company are merged the chief interests of the old, with those of the Pioneer Stage Company (from Virginia, Nevada, to California,) the Overland Mail Company (from Salt Lake to Virginia, Nevada,) the Holladay Express and Stage Company (from the Missouri River to Salt Lake, Montana and Idaho,) and all the lines of the American and the United States Express Companies west of the Missouri. The Adams Express declines to give up its "territory" west of the Mississippi and south of the State of Missouri, but with this exception the new Company has entire control of all the stage and express business between the Missouri and the Pacific.

The stage lines of the new Company amount in the aggregate to over 4,000 miles, and the rapid progress of the great Pacific Railroad, at both ends, is increasing enormously the travel across the plains. Next season the pleasure-seekers along will be very numerous, and the summer of 1870 will doubtless see twenty daily coaches plying each way over the short gap in transcontinental railway which will then remain open.

THE VALLEJO RAILROAD.—The Solano *Press* says:

There is beginning to be more faith manifested in the Sacramento and Vallejo Railroad. Ten acres of unimproved land, just outside the town of Vallejo, sold on Saturday for $500 per acre on the strength of the prospects for the early completion of the road. It is stated that there are three brothers in the East who have taken this work in charge, and have the means and will complete the road at the earliest day possible. They will put a thousand men on the road immediately, and it will be completed as quick as muscle and capital can accomplish it. The road is to be first built to Sacramento and then connected with the great Sacramento and Oregon Railroad.

PLAYING TRICKS ON STRANGERS.—The San Jose *Mercury* says that a resident of that city, becoming convinced that somebody was making too free use of his firewood, sought to put a stop to it by affording the pilferer an unexpected surprise. Boring a hole in the end of an innocent looking stick, he inserted about a pound, more or less, of Hazard's best, and covering up his tracks, awaited the result. A day or two thereafter there was a small earthquake in the domicil of a neighbor, resulting in the destruction of a good stove, and a big scare to the owner. Troy, "honesty is the best policy."

A BOSTON paper announces that Dr. Gwin, former United State Senator from California, and late Mexican adventurer and Federal prisoner, returned to that city from Europe on the steamer *China*, October 24th.

THE COUNTRY SAFE.—In September an election for Supervisor was held in one of the districts of Tuolumne county. The lucky candidate received five majority, which so elated him that he at once forwarded the following dispatch to a friend:

CHINESE CAMP, September—, 1866.—Mr. ——, I am elected by five majority—Congress is sustained and treason made odious.

"JOHN" IMPROVING.—One of the most significant signs of the times that has come to our knowledge, says the Mariposa *Gazette*, is that of a Chinaman quietly seating himself in an arm-chair and taking up a copy of the Sacramento *Union* to peruse the morning's news.

A. WOIDMAN, of Pittsburg, Pennsylvania owner of a newspaper, was slandered in his own columns, by his own editor, for which he horse-whipped him. He had no other redress, as he could not sue himself as owner.

SEMI-WEEKLY ENQUIRER.

WEDNESDAY MORNING, DEC. 5th.

A PATHETIC APPEAL.—Since our last issue we have received a circular, printed on paper of a brilliant symbolic green, of the following tenor and effect:

TO THE IRISHMEN OF CALIFORNIA.—*Fellow-Countrymen:*—The hour so long hoped and prayed for has arrived at last.

The die is cast! Irishmen are in arms for their country's independence!

Now or never prove your devotion to that cause by your generous aid, and a grateful country will bless you.

Hold meetings immediately and send forward the sinews of war.

Those whose unbroken faith in the men at home has never faltered, have organized here, with Col. Smith at the head.

Words at this crisis would be an imputation on your manhood.

Irishmen of California! now or never! Send all the aid you possibly can immediately to Col. M. C. Smith, District Centre, Fenian Brotherhood, District of California, No. 567 Market street, San Francisco, and it will be immediately dispatched by telegraph to New York, whence it will be immediately forwarded to the "Men in the Gap."

COL. M. C. SMITH, District Centre. F. B. *District of California.*
M. F. CUMMINGS, *Secy.* T. NUNAN, *Treasurer.*

The circular publication for the benefit of those addressed and concerned. Irishmen, *as Irishmen*, and not American citizens, either native or naturalized, are appealed to. This puts the matter in the shape which it should properly assume. It frees the American Government from the necessity of a war—provoking interference in behalf of the gentlemen in the gap. All who feel so disposed, and are possessed of surplus sinews, can promptly forward the same to Col. Smith. He bears a familiar and responsible name and we imagine that all funds thus forwarded will be quite as promptly *thrown into the Gap!* We only trust that there will be no afterclaps in this connection, and that the gentry who thus, with their eyes wide open; with the examples of Lynch, McMahon & Co., staring them in the face; in violation of the pledged honor of their adopted country and despite remonstrance and common sense, take international and moral law into their own hands, will manfully abide the consequences. If, according to the laws of the district which they voluntarily and violently enter, they commit larceny, arson or murder, let them submit to the verdict which they deliberately dare, and let there be no puling and whining and pleas for intervention if conviction and sentence in due course succeed their valiant invasion. By all manner of means, we should say, give Col. Smith a boost!

HOPEFUL PROSPECT.—The New Hampshire *Register* says:

"The Democratic party will show when it gets the power, that it means what it says when it promises the workingmen to procure the adoption of the eight hour system."

We have failed to hear that the above assurance has caused any noticeable outbursts of hilarity in the "eight hour" camp.

It is much like the ancient farmer's consolatory remark: "Live, old horse, and you shall have oats."

QUID PRO QUO.—DELONG ON NYTRO-GLYCERINE.—It is said that Charley DeLong attributes the dangerous qualities of the new explosive oil to the fact of its being a *Nye-trick* combination.—*Dutch Flat Enquirer.*

Good joke—even if it is from Dutch Flat.—*Gold Hill News.*

PER CONTRA.—Why is an arm-chair like the Marseilles Hymn? Because it has "to arms."—*Gold Hill News.*

Miserable! Abominable!! Atrocious!!!—even if it is from Gold Hill.

ROBBERY.—The Folsom *Telegraph* says:

"On Friday evening, November 23d, a Chinese cabin at Teat's Flat, below Alder Creek, was entered by five armed robbers, who demanded the money on hand from its inmates. Being slow in delivering it, two Chinamen were shot, one in the leg and the other in the hip, and another was hung until nearly dead. The robbers are described by the Chinamen as Americans, and obtained only fifty dollars."

THE VACUUM FILLED.—The San Francisco *Times* lately closed an elaborate article on the impeachment of the President with the remark: "We are not prepared to give an opinion." The *Times* was established for the purpose of satisfying a necessity, universally asserted, for a leading radical paper in our Pacific metropolis.

FASTEST TIME.—The S. F. *Spirit of the Times*, in answer to frequent inquiries, publishes the fastest steamboat time ever made between Sacramento and San Francisco. It was made by the Chrysopolis, on the 31st of December 1861, when she beat the opposition steamer Nevada, making the trip down in 5 hours and 18 minutes, starting at 2:01 and reaching San Francisco at 7:19.

THE LADIES INVITED.—By special resolution of the Lyceum, on motion of Hamlet Davis, Esq., the Dutch Flat ENQUIRER was requested to extend an invitation to citizens generally and ladies especially to attend the discussion this evening, next Monday evening and in future.

ROBBING THE REVENUE.—A wine-grower in one of the cow counties evades the tax on wine manufacture by drinking all he produces.

THE PRESIDENT'S MESSAGE.

President Johnson has measurably waived his firm convictions of the unconstitutionality of the "Rump Congress" which presumes to deliberate in the absence of his favorite "ten States," and has vouchsafed to communicate his ideas on foreign and domestic policy to that body—"hanging on the verge" of the Government, as it were. The document, as published in the Sacramento *Union* of yesterday exhibits the characteristics of a caustic lecture or scathing reprimand to a mistaken, contumacious and inferior, rather than a calm state paper addressed to a co-ordinate department of the Government. We have neither time nor space to review the message *in extenso*, but will make a few brief extracts, which will, to some extent, convey an idea of the tone and tenor of the message. In his prefatory remarks he says: "Peace, order, tranquility and civil authority have been formally declared throughout the whole [illegible]; civil authority has superceded the coercion of arms, and the people, by their voluntary action, are maintaining their government in full activity and complete action." The absolute correctness of His Majesty's "formal declaration" that everything was lovely, can no longer be doubted. "An entire restoration of fraternal feeling" is the "earnest wish" of the patriotic heart of Andrew Johnson, especially when his attention is attracted to his traitorous contemners at the "northern end of the circle." A specific admission that each House is made the judge of the election and *qualifications* of its members, is followed by a repetition of former instructions as to how that judgment should be formed and exercised. In this connection the astonishment of the masses is invoked by the assertion that, "upon this question, so vitally affecting the restoration of the Union, and the permanency of our present government, my convictions, heretofore expressed, have undergone no change, but, on the contrary, their correctness has been confirmed by reflection and time." He "knows of no measure more imperatively demanded by every consideration of national interest, sound policy and equal justice, than the admission of loyal members from the now unrepresented States."

In reference to foreign affairs, the Emperor of France has seen fit to notify us that the covenant for the removal of troops from Mexico, to commence in November cannot be complied with, but he has "*promised* he would withdraw the entire force next Spring." It is consoling to know that "our Government promptly declared its dissent from this change of policy," and it is exceedingly comforting to be assured that "It is *hoped* France will reconsider her action" &c. If any have doubted the plenteousness of balm in our Washington gilead, all such doubts must vanish, on reading that "it is believed that after the evacuation of Mexico no subject for serious difference with France will exist." The message contains soothing prognostications of an amicable adjustment of the Alabama claims and all other little differences with England so soon as political divisions shall cease to distract the attention of the English people, and when the government shall be no longer diverted from the consideration of Foreign affairs by parliamentary divisions and oppositions.

A mission to Greece is recommended, and a firm, decided policy suggested in dealing with that powerful Kingdom, in reference to her presumptuous claim to the military service of Greeks who have become naturalized American citizens.

"Let us endeavor to preserve harmony between the co-ordinate department of the Government" is Andrew's closing invocation, and of course any steps toward impeachment would be manifestly inharmonous.

A POOR ADVISER.—The Amador *Dispatch* in commenting on the removal of the Marysville *Express* to Sacramento says:

"The *Express* deserves success, and we hope that Democrats throughout the State will endeavor to give it sufficient patronage to enable it to successfully compete with the *Union*.'

In our opinion the Marysville experience of the *Express* is but illy calculated to encourage it to renew its battle against the *Union*.

LAND SUITS.—An import land suit says the *Appeal*, has been before the Register and Receiver of the Marysville Land Office for two days. The claimant is Mrs. E. L. Wixon and the contestant Patrick Muldee. The land claimed for farming purposes is the well-known Franklin House Ranch, on the old Auburn and Sacramento stage road, about six miles below Auburn. The miners claim this property as mineral. It has been in joint possession of the claimant Wixon and the miners for fifteen years.

DOLOROUS.—The Calaveras *Chronicle* of the 1st inst., vents a lugubrious strain over the sale of the ex-county buildings of Calaveras county, which took place on Saturday last at Mokelumne Hill. The Court House and Jail, which cost the county an enormous sum, were sold for $400.

PROLIFIC IF TRUE.—If we may accept the records of the local press as true, the little town of Howland Flat established no mean claim to notoriety on the 16th of November. According to said authority, three matrons were delivered of twins and two of solitaries on that day. Howland Flat is but a small hamlet, but certainly it must be admitted to have "done as well as could be expected." To "love their lords" must be fashionable with the ladies up that way.

NEW VOLUME.—The San Francisco *Call* commenced its twenty-first volume and the eleventh year of its existence on the 1st inst. The *Call* exhibits rare industry in collecting news and has a spicy way of rendering local items—in every department except the political it suits us, and we imagine that even in that, as well as all others, the pesky iittle thing "*pays.*"

HEAD CENTER STEPHENS. — James Stephens C. O. I. R., in a recent letter, says: "The Canadian era [illegible] executed in Ireland that no one true man in our ranks would have joined it; but ten thousand of our best men, under the *circumstances*, would have been compelled to leave [illegible] and the whole movement would have collapsed."

BEAR RIVER RAILROAD.—We understand that the Bear River Railroad is completed to Reed's ranch, five miles north of Wheatland, and the grading is nearly all completed to the low lands on the Yuba where it must be piled.—*Appeal.*

SALTPETRE.—The Santa Cruz Powder Mill will use during the coming year 3,000,000 pounds of crude saltpetre, imported direct to the port of Santa Cruz from Iquiqui in Peru, South America.

IMPORTANT RULING.—Judge Belcher of Yuba county holds that enrollment in the Great Register is essential to constitute a legal juryman.

MEDICAL.

S. T.—1860.—X.

"JES' SO!"—"EXACTLY!"—Solon Shingle said; they were there "every time." If he felt "owley" in the morning, he took Plantation Bitters: if he felt weary at night he took Plantation Bitters: if he lacked appetite, weak, languid, or mentally oppressed, he took Plantation Bitters and they never failed to set him on his pins square and firm.

A few bottles of PLANTATION BITTERS

Will cure Nervous Headache,
" Cold Extremities and Feverish Lips,
" Sour Stomach and Fetid Breath,
" Flatulency and Indigestion,
" Nervous Affections,
" Excessive Fatigue and Short Breath,
" Pain over the Eyes,
" Mental Despondency,
" Prostration; Great Weakness,
" Sallow Complexion, Weak Bowels, &c.,

which are evidences of

Liver Complaint and Dyspepsia.

After a long research, we are able to present the most thorough [illegible] cure for those horrid nightmares [illegible] the world has ever produced. Within one year over six hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has come to our knowledge!

It is a most effectual tonic and agreeable stimulant, suited to all conditions of life.

The report that it relies upon mineral substances for its active properties are wholly false.

The original quality and high standing of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a poor article cannot be sold as low as a good one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

LYON'S KATHAIRON.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents the hair turning gray and falling off.
It restores the hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load, and yet its almost incredible demand is daily increasing, and there is hardly a country store that does not keep it, or a family that does not use it.

LYON'S EXTRACT GINGER.

LYONS' EXTRACT OF PURE JAMAICA GINGER.—For Indigestion, Nausea, Hartburn, Sick Headache, Cholera Morbus, Flatulency, &c., where a warming stimulant is required. See that the private U. S. stamp of Demas Barnes & Co., is over the cork of each package.—None other is genuine.

MUSTANG LINIMENT.

Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment.

For cuts, sprains, burns, swellings and caked breasts, the Mexican Mustang Liniment is a certain cure.

For rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment.

For spavined horses, the poll evil, ringbone and sweeney, the Mexican Mustang Liniment never fails.

For wind galls, scratches, big-head and splint, the Mexican Mustang Liniment is worth its weight in gold.

Cuts, bruises, sprains and swellings are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.

It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.

"In lifting the kettle from the fire, it tipped and scalded me terribly. * * The Mustang Liniment extracted the pain and caused the sore to heal rapidly, and left very little scar.

CHAS. FOSTER, 420 Broad str., Phil.

Mr. S. Litch, of Hide Park, Vt., writes: "My horse was considered worthless, (spavin) but since the use of the Mustang Liniment I have sold him for $150. Your Liniment is doing wonders up here."

All genuine is wrapped in steel plate engravings, signed G. W. Westbrook, Chemist) and also has the private U. S. stamp of Demas Barnes & Co., over the top. Look closely. Sold by all Druggists at 25, 50 cents, and $1.

SEMI-WEEKLY ENQUIRER.

LYCEUM.—Our Debating Club, which has assumed the above more aristocratic title, met on Monday evening and re-organized. A Constitution and by-laws were adopted and the following officers elected: S. Y. Halsey, President; M. Frink, Vice President; H. Greeley, Secretary and J. M. Fulweiler, Treasurer. The night having been very boisterous and stormy and a large portion of the evening having been consumed in action on Constitution and election of officers, the discussion of the question set for Monday evening was postponed until this, Wednesday, evening. There was a large attendance on Monday evening, considering the inclemency of the weather, and a very lively interest manifested. The subject to be discussed on Wednesday evening, as heretofore stated, is the expediency and sound policy of further extension of the territorial limits of the United States. For Monday next the question is: *Resolved*, That intelligence should be the test by which to regulate exercise of the right of suffrage. The subject is a broad one and we may expect a lively discussion, embracing negro-suffrage, woman suffrage, &c. &c.

SMALL FAVOR ACKNOWLEDGED.—We are in receipt of a prompt and grateful acknowledgement from the San Francisco Mercantile Library Association through A. Stebbins, Librarian, for the contribution of our paper to their reading room. We are willing and happy thus to contribute our mite to such commendable enterprises as the above, and it adds materially to our pleasure in the premises to know that our intentions are appreciated. Too frequently such attentions are treated cavalierly or as a matter of course.

FOUL REQUITAL OF A FOUL DEED.—A Chinaman was caught in the act of exploring the poultry yards near the junction on Monday evening, and was doused in the Yuba ditch, had a few lashes administered, and was curtailed of his cue—thus receiving a *damper* to his enterprise, a *cutting* admonition to be honest and a curb to his *cue*-riosity.

TO SUBSCRIBERS.—Whatever hitch or misunderstanding may have heretofore existed between this office and the Postoffice department has been satisfactorily adjusted—we now understand mail time and the mailers understand us and our patrons may rely on getting their papers hereafter promptly and regularly. Circumstances which it would take too much space to explain have recently come to our knowledge which justify past complaints of tardy delivery somawhat.

Promptness and dispatch will be the rule henceforth—depend upon it.

BURGLARIOUS AND SHOOTING AFFAIR.—A store on the Truckee, near the Pacific Railroad, was entered on Friday night and robbed of some ten or a dozen pairs of boots. The depredators were supposed to be Chinamen. The clerk of the store was aroused by the burglars as they left and fired at them. He supposes that he hit some of them, but is not positive.

NITRO-GLYCERINE.—Attention is called to the advertisement of Messrs. Neilsen & Bandmann, the agents for the sale of nitro-glycerine. Mr. C. S. Swenson, of Michigan Bluff, formerly Justice of the Peace of Township No. 6, and a well-known and reliable citizen, has taken the risk of obtaining, handling and storing some 2600 pounds, which exhausts the present supply in this State. Mr. Swenson and the Van Emmon Brothers have used the compound with extraordinary success, and consider it, packed with the precautions now used, quite as safe as gunpowder to handle.

MAIL MATTERS.—Postmaster Boke has furnished us with the following schedule of mail arrivals and departures at this place:

Mail for Sacramento and intermediate points closes at 7½ o'clock, a. m., daily, Sunday excepted.

For Virginia, (Nev.) and intermediate places, closes at 9½ o'clock a. m.

Mails arrive from Sacramento at about 10½ o'clock, a. m., and from Virginia about 8½ or 9 o'clock, a. m.

THE Teachers of the Union Sunday School are preparing the scholars for a Christmas exhibition.

ANOTHER STAGE ROBBERY.—We are called upon to chronicle another stage robbery within the limits of this county. The stage which left this city yesterday morning for Marysville, Briggs, driver, reached Montgomery's ranch, at the lower end of Penn Valley, about 9 o'clock in the morning. Near this place it was stopped by highwaymen. The express box contained $965, shipped from this city, which must have been increased by shipments from Grass Valley and Rough & Ready to from $1,200 to $1,500. The box was broken open and all the treasure taken from it.—The driver of the up stage gives us the following particulars: The stage was going around a bend in the road, below Montgomery's ranch, when two men stepped out of the bushes, armed with shot guns, and masked. They stopped the stage, and a third man with a sledge hammer broke open the box, and took out the treasure. The only persons in the stage were a lady and a little boy. Neither of them were molested.—*Nevada Transcript*, Dec. 2d.

HOPE FOR THE AFFLICTED.—In another part of this paper will be found the advertisement of the celebrated Institute established by Dr. J. C. YOUNG, in 1850. In this age of deceit and charlatanism it is a boon to the suffering to point out to them where they are sure of obtaining the wished for relief and cure. Under the care of the skillful Doctor the sick and troubled can divest themselves of their burdens of pain; lay aside their cross, and secure health and happiness. If you are sick or in trouble, do not hesitate. Read the advertisement and follow the advice. Do not forget the number or the manner of directing your letters. MEDICAL ADVICE.—DR. WM. K. DOHERTY'S Medical and Surgical Institute is becoming a sine qua non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of such a cause. We are personally acquainted with gentlemen who had suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time, has given them entire relief. It is gratifying to announce this fact, because the Dr. is a gentleman who seeks, not by defamation of others to establish his reputation or ruin of another's fame. The Doctor conducts his own Institute in such a manner must be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertain to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he in sist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—News

A NEW AND GRAND EPOCH IN MEDICINE.—Dr. Maggiel is the founder of a new Medical System! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all-healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. All Ulcerous and eruptive diseases are literally extinguished by the disenfectant power of Maggiel's Salve. In fact, it is here announced that MAGGIEL'S BILIOUS, DYSPEPTIC AND DIARRHEA PILLS cure where all others fail. Which for Burns, Scalds, Childblains, Cuts and all abrasions of the skin MAGGIEL'S SALVE is infallible. Sold by J. MAGGIEL, 11 Pine street, New York, R. H. McDonald & Co., San Francisco, and all Druggists, at 25 cts. per box.

KNOW THY DESTINY!—MADAME E. F. THORNTON, the great English Astrologist, Clairvoyant and Psychometrician, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychomotrope, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can assert. She will send, when desired a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing 50 cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. DR. MAGGIEL'S

PILLS AND SALVE!

These Life-giving remedies are now given to the world. For over a quarter of a century of private practice the ingredients in these

LIFE-GIVING PILLS!

Have been used with the greatest success. Their mission is not only to prevent disease, but to cure. They search out the various maladies by which the patient is suffering, and re-invigorate the failing system. To the aged and infirm a few doses of these valuable PILLS will prove to be

A VERY FOUNTAIN OF YOUTH,

For in every case they add new life and vitality, and restore the waning energies to their pristine state. To the young and middle-aged, they will prove most invaluable, as a ready, specific, and startling medicine. Here is a dream realized, that Ponce-de-Leon sought for three hundred years ago, and never found. He looked for a fountain that would restore the old to vigor and make youth ever

AN ETERNAL SPRING!

It was left for this day and hour to realize the dream, and show in one glorious fact, the magic that made it fair.

THESE FAMOUS REMEDIES

Cannot stay the flight of years, but they can force back and hold aloof diseases that might triumph over the aged and the young. Let none hesitate but seize the favorable opportunity that offers. When taken as prescribed—

FOR BILLIOUS DISORDERS

Nothing can be more productive of cure than these Pills. Their almost magic influence is felt at once; and the usual concomitants of this most distressing disease are removed. These remedies are made from the purest

VEGETABLE COMPOUNDS.

They will not harm the most delicate female, and can be given with good effect in prescribed doses to the youngest babe.

FOR CUTANEOUS DISORDERS

And all eruptions of the skin, the SALVE is most invaluable. It does not heal internally alone, but penetrates with the most searching effects to the very root of the evil.

MEDICAL.

DR. CHAS. H. TOZER'S

PRIVATE MEDICAL INSTITUTE,
N. E. Corner of Kearny and Jackson Streets,
SAN FRANCISCO.

The Great Eradicator of Special complaints, formerly of Locke Hospital, London, Eight Years in Sacramento, and the last Four Years in San Francisco.

DR. TOZER'S

Experience is of forty year's standing, and during that time he has met with unparalleled success in the treatment of all those diseases generally known as Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will not be out of place. The most formidable, the most destructive to mankind is Self-Abuse. The brain being the seat of the disease, the whole system suffers in consequence. I will here enumerate some of the symptoms, so that those afflicted may be able to form an opinion in regard to their complaints and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, Palpitation of the Heart, Trembling of the limbs, Headache and an aversion to general society, especially that of females. There are a great many more, but these are sufficient, and should you be suffering from any of them, call on Dr TOZER, and he will cure you in a short time, without any interruption to your business—or state your case by letter, and there will be no occasion for your calling at the office.

Stricture of the Urethra

Is another formidable enemy to health. Send for one of my circulars on that disease, and inform yourself of its terrible results. The worst cases cured in few days.

Venereal Diseases,

In all their various forms, either Primary, Secondary or Hereditary, completely eradicated from the system, Your constitution being restored to perfect health, there will be no danger of handing down to your children that terrible disease known as Scrofula

Syphilitic Disease,

As it presents itself on this coast, is of a more formidable character than that seen in the Atlantic States or Europe, arising from the fact of its being a compound of Spanish, Chinese and Sandwich Island disease. Those of you who have visited the two countries no doubt have seen the dreadful effects of it on the native and foreign population. It requires altogether different modes of treatment.

The Old Formulas

Of Ricord, Acton and Bostwick, are of little account, except to dry up the disease on the surface, leaving the poison in the blood, which, sooner or later, will show itself as a secondary disease in an aggravated form. These facts I have learned by experience, and think I can say without boasting, that I have seen more practice in these diseases than any other physician in San Francisco, dating, as it does, from 1849. It becomes you, therefore, to think well before you employ a physician. Who is the proper one to consult? An old experienced one, or one who has recently settled among you?

My plan is purely vegetable, destroying the disease and purifying the blood so that there is no danger of secondary symptoms.

Rheumatism, Neuralgia,

And diseases arising from the use of Mercury, such as pains in the skin bones, swellings of the different joints of the body, running sores, etc., and impurities of the blood, cured in a short time by the use of my VEGETABLE MIXTURES, known only to myself.

Seminal Weakness.

Should you be afflicted with any of the following symptoms, such as weakness of the Back and Limbs Pain in the Head, Dimness of Vision, Nervousness and General Debility, Loss of Memory, Confusion of Ideas, and Depression of Spirits, Evil Forboding, Self-distrust, and an aversion to society, consult DR. TOZER at once, and he will restore you to perfect health.

To Females.

When you are afflicted with Weakness of the Back and Limbs, Head, Loss of Muscular Power, Palpitation of the Heart, Irritability, Nervousness, Extreme Urinary Difficulties, Derangement of the Monthly Sickness, Sterility, and other diseases peculiar to females, consult DR. TOZER, and you will receive particular attention. Let no false delicacy prevent you, but apply at once, and save yourself from painful suffering and premature death.

My rooms are so arranged that there is no danger of exposure, and of meeting any one save the Doctor

My FEMALE MONTHLY PILLS were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office.

Price, FIVE DOLLARS—with full directions on each Box. Sent by Mail or Express.

To Correspondents.

Patients of either sex, residing in any part of the country, however distant, who may desire the opinion and advice of DR. TOZER, can, by submitting a written statement of their case to the Doctor, receive all the attention and medicines necessary to affect a cure without the necessity of a personal interview.

All letters strictly confidential, opened and replied to by the Doctor himself.

Consultation at the office or by letter, FREE.

Cures in all cases guaranteed

A Grateful Acknowledgement to Skillful Gentlemen.

SAN FRANCISCO, June 1, 1866.

Dr. Chas. H. Tozer:—Dear Sir: You will excuse me for not writing to you sooner. You will please remember me as the individual who called on you for assistance about a year ago. The roof of my mouth had completely rotted out, and my palate dropped and there remained, stopping up the passage so that I could hardly eat. You remember you cut it out at once, which relieved me immediately, and I was enabled to swallow my food, and in a short time began to improve. I took your medicine, and followed your directions for several months. You finally succeeded in stopping the disease, saving my nose and upper lip, though you frequently cautioned me about losing it. I continued to improve until you finally recommended me to go into the country, and before going, by your advice, I had a cast taken of my mouth, in order that I could have a plate made for me to enable me to speak so as to be understood, and am now using it. My eternal thanks are due to you and DR. DEMAREST* for the perseverance and skill that you displayed in my case; and I have to thank you for my restored health, and even my life, as I was very near bleeding to death several times from the nose. I am now in Sacramento City, enjoying good health, and I shall recommend all my friends to call on you should they be so unfortunate as to require assistance; and I would advise all persons to avoid certain scientific doctors in your city, for they will send them to a land from whence no traveler returns.

With my best wishes for the success of both of you, I remain, yours, etc., S. S. T.

DR. W. K. DOHERTY'S

Private Medical and Surgical Institute

Sacramento Street, below Montgomery, opposite the Pacific Mail Steamship Company's Office. Private entrance on Leidesdorff street, San Francisco.

Established expressly to afford the afflicted sound and scientific medical aid in the treatment and cure of all Private and Chronic Diseases, cases of Secrecy and all Sexual Disorders.

TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse, Gonorrhœa, Gleet, Strictures, Nocturnal and Diurnal emissions, Sexual Disability, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc., and he hopes that his long experience and successful practice will continue to ensure him a share of public prtronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references from men of known and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment, and implicit secrecy.

DR. DOHERTY would call attention to the following certificates from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demand their publicity and they are given more to warn the unwary than to sound the praise of a Physician, of whom hundreds of like cases can be cited during a practice of more than fifteen years.

DR. DOHERTY—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you some written acknowledgement for your valuable services—particularly as your fee was small for the work performed.

I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessarily the best, (some of whom have a large number of titles,) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured, the Stricture is all removed, and my general health is better than it has been for years.

In conclusion, I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty for my addres and call and see me. (I keep store in this city.) My experience may save you many dollars.

I would also add that in the early stage of my disease I used a large amount of the preparations advertised as an infallible cure for Gonorrhœ, Gleet, etc., but never derived any benefit from them.

I am, Doctor, very truly yours,
L—— H——.

Seminal Weakness—A Sworn-to Certificate of a most Remarkable Cure of Spermatorrhœa.

A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I have been afflicted with that fearful disease known as "Spermatorrhœa," or Seminal Weakness, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience. In that year however, I had Seminal Weakness to an alarming extent, which was soon followed by the most alarming symptons as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was afflicted to such an extent as to seriously impair my memory: my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any of the duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care; in one week I found myself very much improved, and, now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself JAMES JOHNSTON.

Subscribed and sworn to before me, this 15th day of January, A. D. 1864.

[L. S.] A. G. RANDALL, Notary Public.

THIS CELEBRATED INSTITUTE

has enjoyed on this coast an uninterrupted success of fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospital is to London, and the no less renowned establishment of Ricord is to Paris, this Institute has become to the Pacific coast. The thousands annually received and cured place it in point of number of patients among the very first of the world of its treatment ranks it second to none.

PRIVATE DISEASES IN MALES and IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength from the frame; they give to the world puny and diseased offspring, and poison, through successive generations the race of man. The marks can be seen in Scrofula, Consumption, Cripples, the Idiotic, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than those diseases arising from the contamination of Venerial Poison. The mildest forms, by retreating to the blood, hold over the afflicted one, the destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most fatal medical enemy to man, combining with the Venereal, doubles its dangers. Those who have been treated with that pernicious mineral poison are not cured; the disease has only assumed a new form.

Do not be satisfied with partial cures

that leave the poison to crawl through the system, eating its way into the tissues and organs beneath the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. WHEN PERFECT CURES can be obtained by consulting a physician whom long practice and thorough investigation into the causes of DISEASES of the URINARY ORGANS enables to determine at once the nature of the disease.

In all cases entrusted to the Doctor's care, PERFECT, SPEEDY and PERMANENT,

Cures are Always Guaranteed.

In syphilis and its adjuncts; Gonnorrhœa and its accompanying diseases; and all diseases of the Bladder, Kidneys, and prostrate; Seminal Weakness Diseases of the Heart and Lungs; Dyspepsia; Indigestion, Impotency; Incipient consumption, and all diseases of the urinary organs, in either sex, cure always warranted, NO PAY REQUIRED, at the

Seminal Weakness or Spermatorrhœa.

The young man who experiences that growing weakness in his muscular and menta organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion unaccountable failing of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, troubled and lascivious dreams, accompanied by growing deafness, loss of muscular power, and numerous other symptons of disorganization, the positive traces of that most terrible and destructive of all diseases Seminal Weakness—wasting away his powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence towards a premature and loathsome grave. To him who finds his life dribbling out in the discharge of the vital principle of existence in nocturnal and diurnal emissions, the mere cessation of its appearance brings no assurance of relief.

Marriage, that holy office, the safeguard and hope of manhood, brings to such an one no hope of cure, but adds to his misery in the knowledge that he one, who looks to him for so much of her happiness, is a victim to his evil, and an innocent companion of his punishment. He adds to his misery and disorder until hope leaves him. There is no rescue except in proper and skillful treatment. Consult then, at once, a physician whom long practice and careful research has made thoroughly conversant with every phase of the disease. Those who have become the victims of solitary vices, that dreadful, fascinating and destructive habit, which fills thousands o sick-rooms with paralytics and consumptives, and hundreds of untimely graves with its misguided victims, should consult, without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would especially address himself, giving to each and all assurance of a PERFECT and PERMANENT CURE, without hindrance to business, change of diet, or fear of exposure.

Do not forget the address. See below.

Important to Females.

When a female is in trouble or afflicted with disease and requires medical or surgical assistance, the enquiry should be, Where is there a physician who, is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor understanding how imperatively necessary these requirements are, feels called upon to interpose, and beg the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore families can rely upon him as upon a father. All in affliction can find in him one who will feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation by letter or otherwise, FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescription of Dr. Young, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimonials of their efficacy declare them to be pre-eminently superior in their action. No lady should be without these Renovating Agents. None genuine unless procured at this office.

Patients residing in any part of the State, however distant, who may desire medical advice on their respective cases, and who think proper to submit a written statement of such in preference to holding a personal interview, are assured that their communications will be held most sacred.
